Release Notes

Product Name: TeamTexter® 2.0 Chrome Plugin

Release Number: v2.0 SP6

Date of Release: April 6, 2023

Overview: This service pack includes user interface updates and new versions of the Google Chrome Plugin for TeamTexter.

1. Bug – Chrome Plugin Is Not Recognizing All Phone Numbers

- **Issue Summary:** When toggled on, the Chrome Plugin does not recognize all formats of a phone number.
- **Resolution:** The bug has been fixed and the Google Chrome Plugin has been updated to the newest Chrome Plugin standards.
- **Impacts:** All phone number formats are now being recognized by the Chrome Plugin.
